

Comfort Quilts

Thank you for all those that attended the Comfort Quilts January Meeting on “Advanced Ideas for Squares, Rectangles & Triangles”. Below are the directions for the $\frac{1}{2}$ square triangles you made.

From 2 of the $\frac{1}{2}$ square triangles:

- After squaring them up to $4\frac{1}{2}$ "
- Set them up 2 different ways (diagram a)
- Then cut every $1\frac{1}{2}$ " and rearrange (diagram b & c)
- Then strip together making 2 blocks – $3\frac{1}{2}$ " x $4\frac{1}{2}$ "

Diagram A

Diagram B

Diagram C

From the other 2 – $\frac{1}{2}$ square triangles

- After squaring up to $4\frac{1}{2}$ "
- Cut at $2\frac{1}{4}$ " up and $2\frac{1}{4}$ " over (diagram a)
- Then rearrange and sew together (diagram b)
